

THE ONVISIA DISCERNMENT PLATFORM™
Three pillars. One platform.

Onvisia Relationships

"Your counterparties, your commitments and your history — modelled, current and traceable."

- Reveals relationships in their proper context
- Connects entities, roles, obligations and history
- Compares traceability of actions against relationship obligations and authorities
- Maintains history of the relationship and your agreements

Onvisia Organizational Oversight™ (Suite)

Understanding your organization and the information that you already own and manage

- Keeps information current and trustworthy
- Provides the context AI needs to deliver right outcomes
- Connects knowledge, processes, policies, people, and decisions
- Visualize organizational relationships
- Captures institutional memory

Onvisia Intelligence Control Center™

Provides a single point of visibility and governance for your AI ecosystem

- Automated Data Ingestion
- Monitors and manages AI agents and automation
- Enforces policies, guardrails and compliance
- Orchestrates knowledge, decisions and actions
- Ensures safe, responsible and aligned AI Operations

DISCERNMENT IS SEEING RIGHTLY, TO JUDGE WISELY, WHAT OUGHT™ TO BE DONE.

HOW IT WORKS

HARVEST

People, systems, documents, data, folders

INGEST & REASON

Capture, classify and extract knowledge, processes and rules

CONNECT

Digital twin that connects knowledge, relationships and context

RELATIONSHIPS

Connect entities, roles obligations and history

GOVERN & DISCERN

Govern, monitor and orchestrate agents, automation and decisions

OUTCOMES

Aligned, trusted, and measurable impact across the enterprise.

BUSINESS OUTCOMES

- Preserve and grow institutional knowledge
- Accelerate AI adoption with confidence
- Strengthen governance and compliance
- Increase organizational alignment and collaboration
- Build persistent, renewable institutional memory

WHY IT MATTERS

Reduce risk, increase transparency and ensure accountability

Empower people with the right context to act with confidence

Drive innovation, agility and sustainable growth

READY TO SEE YOUR ORGANIZATION CLEARLY?

Start with an Organizational Alignment Assessment — six weeks, fixed scope, fixed fee. You keep the findings whether or not you continue. (See the Services sheet.)

services@onvisia.ai · 214-220-6772 · Onvisia Inc.

Onvisia turns institutional complexity into clarity, collective intelligence into governed action, and purpose into lasting impact.

BUILT & TESTED FOUNDATION · RUNTIME IMPLEMENTATION UNDERWAY · HUMAN DECISION AUTHORITY REMAINS HUMAN
